

The Memorial Gardens at Niagara Hospice

4675 Sunset Drive, Lockport, New York

Hospice is specialized care for the terminally ill. Niagara Hospice has provided end-of-life care to Niagara County residents and their families since 1988. Because no one is denied care due to ability to pay, Niagara Hospice gratefully accepts gifts to help ensure all patients and families who need hospice care are able to receive it.

Help our gardens grow...

One of our most popular giving opportunities are the Niagara Hospice Memorial Gardens. Situated on approximately 25 acres, the Niagara Hospice campus is surrounded by peaceful gardens with a memorial brick walkway, gazebos, granite

benches, a bridge, pond, pergola, and a polished black granite service memorial.

The inviting gardens provide a lasting tribute for families and friends to honor their loved ones, *whether or not they ever received hospice care*. Additionally, the peaceful setting provides visitors a place to pause and remember people who are special to them.

Each year, Niagara Hospice holds dedication ceremonies to commemorate these gifts. Donors are invited to ask friends and family to attend with them.

Inside is a *partial list* of memorial opportunities available at Niagara Hospice. Our team will work with you to truly individualize your memorial gift. **Financing options are also available for some items.** For more information, contact the Development Office at (716) 439-4417 or memorials@NiagaraHospice.com.
