

## **Hospice Aides**

### **Job Posting**

#### **Calling certified HHAs and CNAs!**

Do you enjoy making a difference in someone's day? If you are a certified HHA or CNA and would love to continue your healthcare career at Niagara Hospice, we invite you to join our incredible team and receive specialized training as a Hospice Aide.

We are always looking for friendly and dedicated Hospice Aides to care for patients at our Hospice House facility located in Lockport. Our peaceful & serene facility currently has a total of 20 beds which allows for one-on-one patient care. Our patients' needs vary but all are grateful for the support and friendship you bring them every day.

If you are a certified HHA and prefer a daytime schedule in home care, we have several FT & PT shifts available.

We offer great benefits, including free health insurance on your first day, generous paid time off and much more. We have full-time and part-time positions available. Starting pay is \$16-\$18 depending on experience along with a \$2 shift differential for 2nd & 3rd shift in our facility. We are always looking for caring people who are passionate about helping others. Please visit us at [NiagaraHospice.org/Careers](http://NiagaraHospice.org/Careers).
