

RN CASE MANAGER

Job Posting

The RN Case Manager provides total, comprehensive, direct patient care and plan of care oversight through the process of assessment and evaluation.

Niagara Hospice Offers outstanding benefits, including:

- A great Work-Life balance
- Premium Pay
- 19 days of paid time off in your first year
- Health Insurance starting on your first day
- Inexpensive insurance options for medical & dental
- Birthday gift
- And Much More!!

Essential Functions: This position functions independently within the professional scope of practice including:

- ***Case finding & Management:*** provide direct patient care and assessment, oversight of plan-of care development and implementation.
- ***Diagnosing:*** identification & discrimination between physical & psychosocial signs and symptoms essential to effective execution and management of the nursing regimen.
- ***Treating:*** execution of prescribed medical regimen & direct orders from authorized healthcare providers, administer medications and treatments during home visits as needed to effectively control patient symptomatology.
- ***Measuring Human Responses & Patient Outcomes:*** evaluate signs, symptoms and processes which denote individual interaction with an actual or potential health problem.
- ***Health Teaching & Counseling:*** educate patients/families on palliative and end-of-life care and issues in a proactive manner, thoroughly explain procedures to patients before executing the same.
- ***Care Supportive of Life and Well Being:*** demonstrate respect of patient/family choices, values and behaviors, advocates for the choices of patients/families.
- ***Professional Communication & Documentation:*** communicates progress of patients to advanced practitioners accordingly, complete patient profiles/summaries promptly, record patient's condition, treatment and response, chart required information in the MISYS Homecare System.

- *Indirect Patient Support & Management Activities*: place referrals for necessary supportive services; act as a liaison to contracted hospitals and nursing facilities as assigned.
- *Professional Performance*: demonstrate knowledge and competencies required of the position, understand & demonstrate knowledge of the NYS Nurse Practice Act, NYS and federal guidelines/codes governing Hospice and the accrediting body.

Education & Qualifications:

- Graduate of an accredited school of professional nursing (required)
- Minimum of three (3) years of nursing experience preferred
- RN Licensure in New York State (required)
