Roger A. Foote CAMP HOPE Endowment Fund

Camp Hope is a free annual bereavement camp for children ages 7-13 that addresses the special needs of grieving children. Established in 2001, it is the first hospice bereavement camp for children in WNY and since then Camp Hope has served over 350 children. These children play, talk together about their losses, share emotions with others, and recognize that grief is a natural response to losing a loved one. Together, they learn ways to help themselves cope, as well as learn to help each other. Children come away from camp with many fond memories and Camp Hope mementos, and most importantly with coping skills to help them work through their grief.

Camp Hope Activities:

- ◆ Memorial bonfire to remember loved ones
- ◆ Arts & crafts
- ◆ Music
- ◆ Creative movement therapy
- ◆ Rock wall climbing
- ◆ Swimming
- ◆ Pet visits
- ◆ And more!

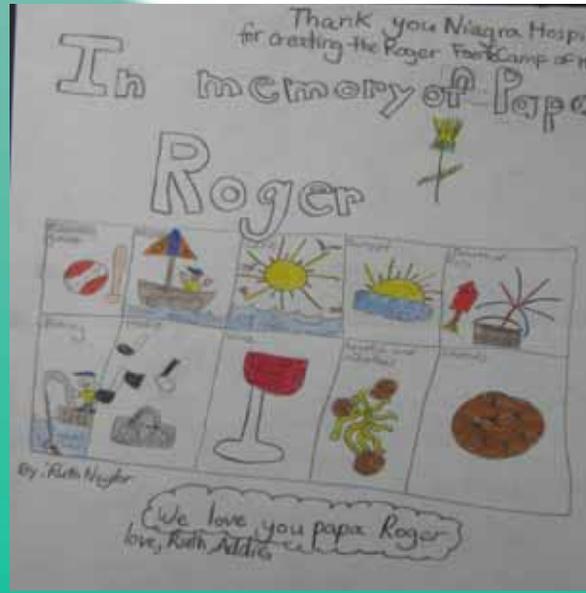

How You Can Help

Camp Hope relies on the generosity of a giving community through donations, planned giving and grants to ensure Camp Hope remains available to our children.

With a generous gift given by the family of Roger A. Foote, Niagara Hospice has created the **Roger A. Foote Camp Hope Endowment**. This endowment was established to provide the financial ground on which Camp Hope will continue to serve the children of tomorrow as they work through their grief. Mr. Foote's love of children makes this gift a fitting tribute.

For more information about the fund or how you can help, please contact the Development Office at **280-0780**.
