Hospice is specialized care for the terminally ill. Niagara Hospice has proudly provided end-of-life care to Niagara County residents and their families since 1988. Because no one is denied care due to inability to pay, Niagara Hospice gratefully accepts gifts to help ensure all patients and families who need hospice care are able to receive it.

Help our gardens grow...

One of our most popular giving opportunities are the Niagara Hospice Memorial Gardens. Situated on approximately 25 acres, the Niagara Hospice campus is surrounded by peaceful gardens with a memorial brick walkway, gazebos, granite benches, a bridge, pond, pavilion, pergola, and a polished black granite service memorial.

Honoring those who serve...

The Service Persons Memorial was established to provide a unique opportunity to honor and remember those who have served our country and community in the armed services, or as police or fire professionals. The memorial is at the entrance of our inviting gardens that provide a lasting tribute for families and friends to honor loved ones, *whether or not they ever received hospice care*. These tributes are available to anyone in the community wishing to remember loved ones in a very special way, while also supporting the work of Niagara Hospice.

Each year, Niagara Hospice holds dedication ceremonies to commemorate these gifts. Donors are invited to ask friends and family to attend.

For more information, contact the Events Department at (716) 280-0780 or info@NiagaraHospice.org.
