A MESSAGE FROM LEADERSHIP

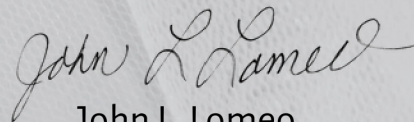

2022-2023 was a special year for Niagara Hospice, as you will read on the following pages. We are honored to care for you and your loved ones, and we thank you for entrusting us with your care.

As the only hospice in Niagara County since 1988, we are dedicated to providing specialized, expert care to patients and personalized support for families, much of which is supported by donations.

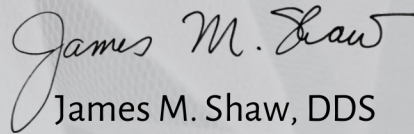

We thank the countless individuals, foundations, businesses, and community groups who have supported us throughout our 35 years.

A very big thank you goes out to our staff & volunteers...they are truly the heart of Niagara Hospice.

With gratitude,

John L. Lomeo
President & CEO

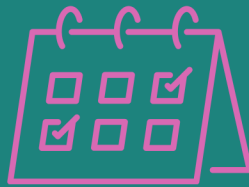

James M. Shaw, DDS

IN THE WORDS OF FAMILIES TOUCHED BY NIAGARA HOSPICE...
"Hospice is true 'comfort care' that provides peace of mind for the patient and the family."

PATIENT DEMOGRAPHICS

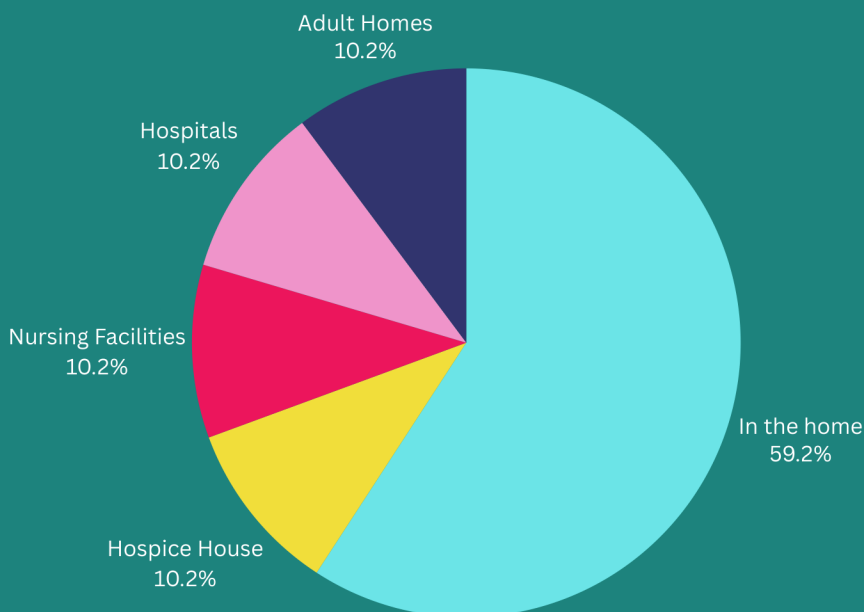

PATIENT DIAGNOSES

Niagara Hospice cares for patients with a variety of diagnoses. Historically, the perception has been that hospice care mainly cares for patients diagnosed with cancer; when one reviews these demographics, it becomes apparent that while cancer diagnoses comprise 35% of patient diagnoses, 65% present with other diagnoses.

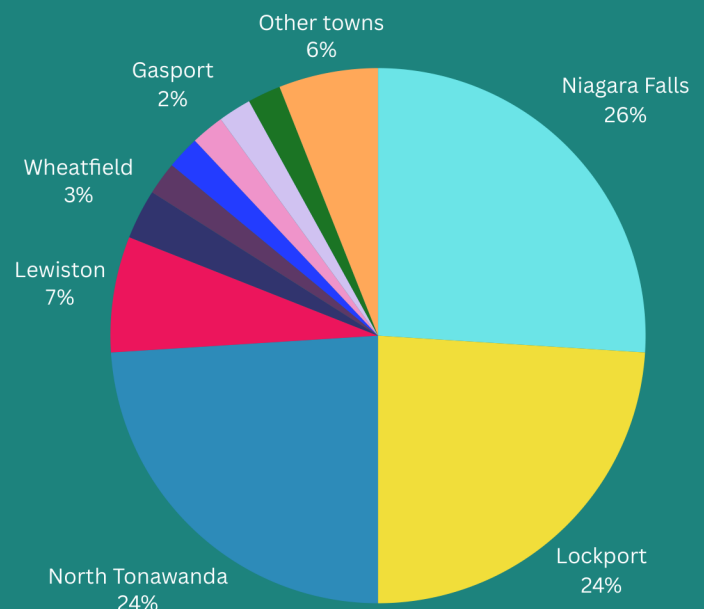

PATIENT CARE LOCATIONS

Niagara Hospice provides the right care, in the right place, at the right time. The location of patient care is one we carefully assess; we see the majority of patients in the home, however, several facilities, including Hospice House in Lockport, continue to provide specialized care, especially in those cases where the patient may require a higher level of care than what a caregiver can provide in the home.

PATIENT CITIES & TOWNS

Since 1988, Niagara Hospice has cared for all of Niagara County. The organization continues to see a majority of patients from the three largest cities, however, there continues to be a steady increase in patient representation from the many towns and villages throughout the community.

ANNUAL HIGHLIGHTS

December 14: Niagara Hospice Hospice House expanded its residential wing, and officially admitted the first patient. After a year of construction, the six new residential patient suites brings the total at the facility to 16, the maximum allowed by New York State.

July 26: Corey Voelker, Director of Support Services & Executive Chef, & Sue Moulden, Hospice House Cook, participated in Network in Aging of WNY tasting event with other long-term care facilities at the Amherst Senior Center.

June: We celebrated 35 years of Niagara Hospice with a fun staff picnic.

June: Our dedicated volunteers introduced a new initiative at Niagara Hospice House...the Coffee & Tea Cart visits Hospice House patients and their loved ones once a week with special beverages and goodies .

December: Drive Against Diabetes (D.A.D) presented Niagara Hospice with a check for \$50,000 toward the fall appeal for replacing the two automated dispensing system units at Hospice House. D.A.D.'s generosity covered half of our goal of \$100,000 (which we met!)

IN THE WORDS OF FAMILIES TOUCHED BY NIAGARA HOSPICE...

"Thank you for all your dedication & care for our community!!! Awesome team."

COMMITTED, EXPERT STAFF

One very special element of Hospice care is our interdisciplinary care team...so many dedicated individuals working together to provide compassionate, expert care.

As the only hospice provider in Niagara County, our staff takes pride in their compassionate service to others.

Just one call to Niagara Hospice provides loved ones the physical, emotional, psychosocial, spiritual and bereavement care they need.

COMPASSIONATE, TALENTED VOLUNTEERS

2022-2023 saw the full return of Niagara Hospice's amazing volunteer force, totaling nearly 100 individuals. Niagara Hospice volunteers are dedicated, compassionate, and give of their time in so many beneficial ways. They visit patients, provide respite for caregivers, assist with events, help with office duties, and so much more.

IN THE WORDS OF FAMILIES TOUCHED BY NIAGARA HOSPICE...

"Thank you Volunteers. Hospice would surely not be the same without you."

CELEBRATING PHILANTHROPY

SPECIAL EVENTS

Niagara Hospice's dedicated Events Department organizes several annual events. In 2022-2023, \$153,000 was raised by events to support the organization.

August 6, 2022
453 participants

October 1, 2022
1,120 participants

November 25, 2022
The virtual event was very successful, selling 408 tickets & raising more than any silent auction on record.

March 6-11, 2023
Our largest year to date!
Pre-Sale Coordinators: 97
Walk-Up locations: 78

Many generous groups & individuals have made Niagara Hospice their "charity of choice," and we cannot thank you enough! The money raised benefits the organization in countless ways, as noted on the right. Over 1,000 donors supported our annual appeals which funded special patient projects, allowing us to replace two medication dispensing units and purchase new beds and bedroom furniture for Hospice House.

Over 2,500 donors supported our mission through memorials and general contributions. THANK YOU!

IN THE WORDS OF FAMILIES TOUCHED BY NIAGARA HOSPICE...

"The services offered by this agency are nothing short of outstanding."

CELEBRATING COMMUNITY

Our community continues to support us in so many ways, and we are so incredibly grateful. From hosting fundraisers, to beautifying our Memorial Gardens, to assisting us at our events, we know we cannot do this work without this great community. THANK YOU.
